Notice List Members Info

Overview of members in each list -- report and pie chart

Viewing an Employee's Membership

The screenshot shows a web application interface for "Notification Lists Project". On the left is a dark blue sidebar with navigation links: Home, Notification Lists, List Membership (selected), View Individual Membership, Employees, and Documents. The main content area is titled "View Membership" and features a search bar with the text "LIST_NAME A Joseph Garza - Lab: JES - Division". A red arrow points from a red-bordered box containing the text "Search by Employees" to the search bar. To the right of the search bar is a blue button labeled "View List Membership". Below the search bar is a table with a header "List Name" and two rows: "Todo List" and "List two". At the bottom right of the table is a pagination link "1 - 2".
